Introduction

Purchasing a home can be a very challenging task. It is hard to know how much you can afford to spend on a home and it can even be frightening to think that you may not be able to afford a home. There are also many other questions that you have to think about when purchasing a home.

- Is the market is good for buying a home?
- Do you need the assistance of a realtor?
- What type of loan is best for me?
- Are you purchasing a home to live in or to try and turn a profit?
- What tax advantages are there to owning a home?

This eBook will serve as guide to assist you when it comes to purchasing a home. We will talk about how to obtain good credit, finding a realtor to assist you in finding the perfect home, the different types of loans that are available, and how to invest in property and turn a profit.

It does not matter if you are purchasing your first home, or if you are looking for property that you can turn a profit on, this eBook will provide you with the information that you need to make any real estate buying experience a good one.
