Introduction

You're reading this because you have two passions in life. First, you love taking photos. You probably carry your camera everywhere with you, just waiting for a chance to snap a candid shot that tells a little story. That's the art of photography and, if you're reading this, you have a passion for that art.

But then there's your passion for money. Don't worry, you're not being judged. It's good to be motivated by money. It's what makes the world go 'round, right? Or is that love? Point is, money may not bring happiness, but it sure makes life a whole lot easier to get through.

And anyone knows that the best way to make money is to take what you love and turn it into a business. Well, congratulations. You have taken the first step towards making money doing what you love: Taking digital photos.

Not many people know that you can make a good living just by selling photos over the Internet. But once you become aware of just how many photos we're exposed to on a daily basis, the realization that you can make money taking great photos should be a no-brainer.

Photographs Everywhere You Look

You would have to live in a shack out in the woods like the Unabomber to not be exposed to literally hundreds of photographs per day. Think about your daily life. If you ate breakfast this morning, there was
