Foreword

If you're new to where you are living or have been out of the dating lifestyle for awhile but don't want to dive headlong into the nearest bar, speed dating may be a good-time and safe harbor for friendly flirting.

As well, if you're a busy professional who doesn't have adequate free nights to spend on seeing if a relationship bears a future, the round-robin approach of taking stock of multiple singles thru short chats may save you both time and cash.
