Introduction To Traffic Triggers

It's the one ingredient in every successful online business, and the one component that will make or break your ability to build a profitable business and leave a mark in your niche market.

Of course, we're talking about traffic.

But not just any traffic will do. We need to flood our websites with targeted traffic that are genuinely interested in our offers, and who will become part of our customer base. Relevant, targeted – and active traffic that will power our business and fuel our marketing campaigns.

So, the question is; how do you get your share?

There are over 40 different ways to generate traffic to your website. From search engine optimization, to feeder site resources, to pay per click marketing and sponsorship opportunities, there is no shortage of opportunities available to you.

Traffic Triggers was written to provide you with a quick-start

guide to evaluating these options, so that you can develop a marketing campaign geared for success.
